Correspondence-

Old business...

David suggests dropping the “the Community Arts Center” and the “reaching out to new local businesses” initiative.... We agreed.... To drop them.

About “Reaching out...” Kim says, we could get word out to artists to encourage them to sign up to use the “green” area in the Mansfield center area...

David volunteered to make a “press release” document for “reaching out” ...

New business-

- a. Linda Saucier is here to discuss her work.....
 - She was willing to hang her own work...
 - She would be willing to write out something extra if we “tell her what words you want...”
 - She has JEWELRY RENDERINGS she could show instead of just calligraphy.....
 - We agreed to let her use the glass cases to display... her show would start December 2 to March first. The show would be jewelry designs and photos of the jewelry!
- b. Eshan Sonpal’s photos from Africa..... displayed for March 2- June 1st in the hallway. Kim will call him.
